

**Online Assignment - I: Reasoning Skills**

Work on some your cognitive skills using metaphors and choosing words carefully with this challenging exercise.

**Task**

Imagine you live in a world where there are **only 10 words** you can ever use. Nevertheless, you can repeat them as much as you want, yet, *you can't ever use any other words*. Initially, list out those 10 words you would choose, and make sentences with them in order to communicate (some information/message) to your class group. Use feelings and gestures to help them understand you. Also, write your actual intended meaning below the sentence.

**Note:** You have only got 10 words to use, so choose them well!
